Information about the service

Business SIP service enables businesses to modernize legacy on-premises phone systems by connecting them to the internet so they can leverage VoIP (Voice over Internet Protocol) services.

Availability

This service is available anywhere we can supply you with an internet connection.

Requirements

You will need the following:

- active and reliable business grade internet connection
- compatible IP-based PBX or
- BRI/PRI/analogue to VOIP adapter

Exclusions

The following products are not compatible with this service:

- Calls to Premium 1900 numbers
- Analogue services such as HICAPS, Eftpos, and Back to Base Alarms

Minimum Term

- This service is supplied on a month-to-month term.

Conditions

Service may be restricted, suspended, or terminated if:

- You fail to pay your bill.

- You abuse our team.
- You breach our terms and conditions or fair use policy which can be found at www.ucpath.com.au/agreements
